PAYMENT POLICY

Michigan Memorial Funeral Home, Inc. has established a uniform payment policy to serve all families fairly and to prevent misunderstandings. This payment policy enables us to contain our costs to all the families we serve.

Our policy requires that all financial arrangements must be completed prior to the setting of services or viewing times. Payment for our merchandise and service is due one full day before the service time or use of our merchandise or property.

THE FOLLOWING ARE ACCEPTABLE PAYMENT ARRANGEMENTS

1. Cash or Check. Checks are subject to electronic funds verification. Third party checks are **NOT** acceptable.
2. VISA, MasterCard, Discover or American Express.
3. Assignable insurance, for the face value of the policy only, once the insurance company has verified the assign-ability and beneficiary. Policies under two years old are generally contestable and are not acceptable. When acceptable insurance has been assigned, a monthly statement may be sent to the purchaser until payment is received from the insurance company. When payment is received, a statement may be sent showing the amount, date, and paid in full or new balance due. The normal processing time for a policy is 4 to 6 weeks.

Michigan Memorial Funeral Home does not accept future payment from “Estate Funds”.

An Open Letter

For many years the funeral “industry” had done a very good job of keeping its customers confused about what their options are and how one funeral home may meet their particular needs better than another. This has led many people to believe that all funeral homes are the same, or, that all funeral homes charge the same price.

As a fourth-generation funeral director I have seen and heard many things over the course of my career that have caused me great concern. There are 4 things in particular, listed below, that the funeral consumer should be aware of.

DID YOU KNOW?

- If you have already prearranged your funeral, you can transfer it to another funeral home? Possibly at a cost savings.
- Every funeral home *must* provide you with a General Price List of all services they provide, upon request.
- You should be wary if a funeral home agrees to match or undercut a price from another funeral home. It may be a disservice. It is important for all funeral homes to be able to compare what they offer and stand behind the price that they charge.
- That you can “shop” and compare funeral homes to choose the one that best fits your tastes, needs and budget. If the funeral home you have “always used” hasn’t “kept up with the times” it may be time to consider a change.

It is important to remember, we work for you. Michigan Memorial Funeral Home is open for your inspection 7 days a week. We welcome you to stop in, or if you would like to schedule an appointment you can call me at (734) 783-2646. Thank you.

Sincerely,

Daniel P. Dwyer
President
Michigan Memorial Funeral Home, Inc.

Michigan law *does*, however, *require* embalming in cases such as when certain infectious diseases caused death, or when the body isn't taken to its final destination (cemetery, crematory, medical school or other) within 48 hours. If a delay is caused by other than Michigan Memorial Funeral Home (i.e. medical examiner, doctor, hospital, family, etc.) it is deemed selected and authorized, and it will be charged for. Ref. Selecting a Funeral Home – It's All About You

Making arrangements for a funeral is a naturally difficult process; don't let a funeral home make it worse. Choosing your funeral home should be done with care and consideration. You shouldn't feel obligated to select a funeral home that doesn't meet your standards simply because your family's funerals have always been held there, or, because it is the closest to your home. A funeral is a life event, much like a wedding. Don't settle for anything that doesn't provide the value that you are entitled to.

Why Select Michigan Memorial Funeral Home?

Because at Michigan Memorial Funeral Home our philosophy is simple – *You* are our guest. For *you* we provide the following;

- A beautifully appointed, first-class facility capable of hosting services from 50 people to more than 400.
- **Crematory** on-site (owned and operated by Michigan Memorial Park, Inc.)
- A **private viewing room** to spend time with a loved one before the cremation takes place without the need to purchase or rent a casket.
- **Catered receptions**, with or without full bar service.
- A **comfortable lobby** with several seating arrangements that allow you a place to relax or have a cup of coffee in front of the fireplace.
- Creation of a **Memorial Tribute DVD** to be played at the funeral home and given to you as a keepsake.
- **A large coffee and food lounge.** Coffee and hot chocolate are provided at no cost and we encourage you to bring in food. Food has always been central to life's events and a visitation and funeral are no different. Because of this, our lounge is open to you and your guests for as long as you are here. When you're done, we'll clean up. That is our job because you are our guest.
- **An on-site, full service flower shop** to handle all of your immediate floral needs, as well as, cemetery flower and wreath placement into the future. The flower shop also provides you and your guests a place to order "last-minute" tribute items such as flowers, plants and sympathy cards
- A complete line of **keepsake memorial** products in our resource center and floral shop.
- **Specialty hearses.** Cadillac and Lincoln are not always the most suitable transportation choices. We offer both **black and white horse-drawn hearses** and a **customized 2012 Harley-Davidson drawn motorcycle hearse.** These vehicles allow a very unique avenue to express an individual's personality.
- If you are using **Michigan Memorial Park**, we have a **private road** that connects our funeral home to it. This allows for a formal and respectful funeral procession without the worry of navigating our increasingly dangerous roads.
- **An open mind.** If there is something that you need, ask us. Because, you are not an imposition, you are our guest.

And, THAT is what separates us from all of the other funeral homes.
