

WHY PLAN AHEAD?

**Help ease your family's emotional burden
and avoid difficult decisions at a stressful time**

- plan ahead -

When a loved one dies, grieving family members and friends often are confronted with dozens of decisions about the funeral – all of which must be made quickly and often under emotional duress. The increasing trend toward pre-planning allows you to compare prices and services so the funeral reflects a wise and well-informed purchasing decision, as well as a meaningful one.

Benefits to pre-planning:

1. **Time:** You and your family can research options and make informed decisions. You're in control.
2. **Price-Freezing:** When you pre-pay, you lock in today's prices. Your family keeps more of your assets and life insurance.
3. **Peace of Mind:** Pre-planning will have a positive impact on your family at a time of grief.
4. **Your Wishes:** Your pre-arrangement will reflect your wishes. It is as simple as that.
5. **Free Consultation:** Michigan Memorial offers free consultation in your home or our home.
